"BAKIN' IT IS FAKIN' IT"

We don't cheat like others and bake our BBQ in an oven, we slow smoke our meats for hours in our custom Southern Pride rotisserie smokers. This gives the meat a red appearance and may make you wonder whether they are fully cooked. This is especially true of the chicken. Trust us! They are fully cooked!

 We do our best to keep up with demand, but because our meats take so long to cook in the smoker, we will occasionally sell out. But don't leave discouraged, there's a whole mess of great BBQ on the menu, and of course there's always tomorrow!
